Full-Time Cold Caller — Paid in US Dollars

Job offer · Lead Genie Outsourcing · leadgenieoutsourcing.com

Congratulations! We'd like to offer you a full-time Cold Caller position at Lead Genie Outsourcing (LGO). You call homeowners in the United States for our real estate investor clients and find the sellers who want to sell. You earn up to $600 a month, paid in US dollars.

Pay — up to $600 a month

Basic salary	$350 a month
Lead commissions	$2 for every qualified lead (from 20 a month), up to $150 a month
Top achievers bonus	$100 a month for the top achievers of the month
Total	Up to $600 a month ($350 + $150 + $100)
Paid	Monthly, in US dollars, on Payoneer

How the lead commission works

- $2 for every qualified lead you deliver in the month.
- Full-time: the minimum to earn commissions is 20 qualified leads in the month. With fewer than 20 qualified leads there is no lead commission that month — only the basic salary.
- Once you reach 20 qualified leads, every qualified lead of the month is paid at $2 (100 EGP if you are paid in Egyptian pounds), from the first to the last — including the first 20.
- Commissions go up to $150 a month: 50 qualified leads pay $100, and 75 or more pay the full $150.

Examples: 15 qualified leads ? $350 (no commission). 20 qualified leads ? $350 + $40 = $390. 50 qualified leads ? $350 + $100 = $450. 75 qualified leads as a top achiever ? $350 + $150 + $100 = $600.

Top achievers bonus

Every month the callers with the best results — the most qualified leads, with good call quality and full attendance — earn a $100 bonus on top of their salary and commissions.

Working hours	6:00 pm to 3:00 am, Egypt time (Cairo), with breaks agreed with your team leader
Schedule	Full-time, Monday to Friday (the working days agreed with your team leader)
Start date	This week

How you are paid

Paid once a month in US dollars to your Payoneer USD receiving account (or another US bank account in your name). You enter the account details in the LGO employee form: account holder, bank name, routing

number (ABA) and account number.

Requirements

- Clear, confident spoken English.
- Cold calling or sales experience is a strong plus.
- A quiet place to work, a reliable internet connection, a computer and a USB headset.
- A Payoneer account (or a US bank account) to receive your pay in US dollars.

How leads are counted

A qualified lead is a homeowner the caller spoke with who passes LGO’s quality review on the four pillars: reason to sell, timeline, property condition and asking price.

Leads are counted per calendar month. A lead that is rejected in quality review, or replaced because its details were wrong, is not counted.
